

Laser Duplex Pack Slip

This all-in-one, Laser duplex-printable, DuplexPackSlip® is designed for customers who typically ship many orders with single cartons and companies that receive and reship merchandise in the same sealed container.

Applications

- Shipping Label/Packing Slip
- Shipping Label/Return Label
- Shipping Label/Marketing Piece

Markets

- eCommerce Companies
- Distribution Centers
- Mail Order Houses

Features

- The shipping label and packing list are combined together
- Printed using a Laser printer with duplex capabilities (printer information upon request)
- Can be auto-applied or hand applied (hardware information upon request)

Benefits

- 100% print match on Shipping Label/Packing list
- Huge savings across the board by eliminating the plastic "Packaging List Enclosed" pouch and the 8.5x11 packing list and reducing labor
- With just one pass through a duplex printer, the Shipping Label will be printed on the label face while the liner becomes the Packing list
